## Painting with Pressed Flowers

### Botanical Art Class

Presented by Janet Trinkle

*Create your own pressed-flower artwork*

*Sunday, April 30, 2017 at MAE • 1-3 pm • \$30*

Janet Trinkle has been a resident of Calaveras County for over 35 years. She lives with her husband, master woodworker, Andy Trinkle in Glencoe. Janet loves gardening and grows many of the flowers and herbs she uses in her designs. She will provide all materials, so simply sign up in advance online at [manzapress.com](http://manzapress.com) or by calling MAE. Join Janet for a fun, creative experience, and take home a framed work of art. It's a perfect *girls day out*. Instead of giving mom a bouquet for Mother's Day, give an original work of floral art.
